

All students of B-Tech  
6<sup>th</sup> Semester  
Computer Science & Engineering  
NIT Jamshedpur

Hope you all are hale and hearty with your beloved family members. Country is running with very crucial phase due to Covid-19. You all are requested to stay at home and follow the instructions of the Government of India and respective State Government. Please give the moral support to our Hon'ble Prime Minister Sri Narendra Modijee.

I personally feel that don't keep on watching Covid-19 news and Social Media Contents regularly which will create panic and fear in our mind and which will result another type of ailment in coming future. Just see the news for information sake. Believe in almighty. Everything will be fine in coming days and we all will start our regular course of action.

Regarding the course, I have finished 60 - 65% content of the course before mid-sem break. I have given some pdf materials for your reference for the course at my personal web pages under assignment and study material heading. Material related to MPI, OpenMP, PVM, HPF, Performance evaluations, recent trends in parallel computing etc. will be covered. Please refer the pdf materials for your study purpose.

From 6<sup>th</sup> April 2020, I request all of you to attend the online classes. Please keep in touch with the website for online lecture schedule.
