Transforming Pedagogy in India

01st – 03rd August, 2020

Faculty from all disciplines can
participate

Organized by

NIT JAMSHEDPUR

Sponsored by

TEQIP – III

Technical Education Quality Improvement Programme

NPIU

National Project Implementation Unit

ABOUT NIT JAMSHEDPUR

National Institute of Technology Jamshedpur is an Institution of National Importance, by an Act of Parliament (Act 29 of 2007) namely, the National Institutes of Technology Act, 2007, which received the assent of the President of India on the 5th June, 2007. This was formerly known as Regional Institute of Technology (RIT) Jamshedpur and was established on 15th August 1960 with the aim of nurturing young engineers for economic growth of the Nation. NIT Jamshedpur is situated in the western part of the city Jamshedpur. The flowing river Kharkai and picturesque backdrop of low hills on one side, and large tracts of forest on the other side, make the 341 acres of rolling campus an ideal place for higher learning and research. NIT Jamshedpur has well qualified faculty and dedicated supporting staff.

**Diamond Jubilee Lecture Hall Complex
National Institute of Technology Jamshedpur**

ABOUT NATIONAL WEBINAR / VIDEO WORKSHOP

As per the current transforming pedagogy requirements in existing academic institutions in India, the Project, Third phase of Technical Education Quality Improvement Program (referred to as TEQIP-III) powered by NPIU, New Delhi under MHRD, Govt. of India in its subcomponents 1.3.2.4 & 1.3.2.8, enumerated the Faculty/Staff Development and motivation, & the Reforms and Governance, respectively necessitated to encourage the critical pedagogy and innovative research in the academic institutions by conducting motivational expert lectures through workshops/webinars etc. This will improve the policy, academic and management practices in the technical education.

The aim of the national webinar/video workshop is to provide live online presentations by the eminent speakers to all faculty and staff of NIT Jamshedpur along with limited number of outside participants from other academic institutions of India mainly to train them in the following objectives:

OBJECTIVES

The program will focus on the following objectives:

1. Digital/transforming pedagogy.
2. Motivational talks for faculty and staff for improving efficiency and belongingness.
3. Outcome based Education (OBE), PO attainment calculations & CO, PO mapping for SAR filling.
4. Effective teaching, Laboratory development and research methodology.
5. RTI Act, 2005.
6. Ranking of the Universities
