**Advisory to all passing out students**

It has come to the notice of the institute that many passing out student have planned to travel to NIT Jamshedpur for various reasons.

Travelling to the institute from different parts of the country during intensified COVID-19 pandemic is dangerous.

No specific office order has been issued by the institute for passing-out students to travel to the institute.

Despite this students are constantly approaching the institute through mail for planning to travel to the institute for collecting their certificates.

All passing out students of the institute (B.Tech/M.Tech./M.Sc./MCA.Ph.D.) are hereby instructed NOT to plan a visit to the institute for any reasons whatsoever.

Further, as-and-when any passing out student urgently requires certificates (for joining etc.), scan copy of certificates will be sent to them on their specific request through their official email address.
