NIT Jamshedpur

ABOUT NIT JAMSHEDPUR

National Institute of Technology Jamshedpur is an Institution of National Importance, by an Act of Parliament (Act 29 of 2007) namely, the National Institutes of Technology Act, 2007, which received the assent of the President of India on the 5th June, 2007. This was formerly known as Regional Institute of Technology (RIT) Jamshedpur and was established on 15th August 1960 with the aim of nurturing young engineers for economic growth of the Nation. NIT Jamshedpur is situated in the western part of the city Jamshedpur. The flowing river Kharkai and picturesque backdrop of low hills on one side, and large tracts of forest on the other side, make the 341 acres of rolling campus an ideal place for higher learning and research. NIT Jamshedpur has well qualified faculty and dedicated supporting staff.

National Institute of Technology Jamshedpur**

ABOUT NATIONAL WORKSHOP

The Digital India campaign initiated by Government is doing its best for transforming the nation to a digitally empowered society. While education will play a crucial role in this transformation, technologies like IOT, Virtual reality, Artificial intelligence, On-line education system etc. will be utilised in a big way towards improvement of educational processes and outcomes. Amongst all these technologies, on-line education system is growing by leaps and bounds since the inception and innovation in the field of internet and technology. Its importance has also increased tremendously since last year after the arrival of Covid - 19 pandemic. It is, therefore, expected that in the very near future, it may completely disrupt the prevailing education system. This webinar is hence, planned to delve on the various aspects of on-line education system with following objectives:.

Objectives:

1. Spread awareness about on-line education system
2. Deliberation on different educational platform providing support in the pedagogy.
3. Tapping potential of on-line platform such as UDEMY and COURSEERA.
4. Preparing students for placements and internships in online medium
5. Innovation, Invention, Collaboration and Co-creation through digital platform
