

**Independent Evaluation Office
Government of India**

IEO has been recently established by the Government with a mandate to assess and evaluate the outcomes and impacts of the programmes of Government of India including the flagship programmes. To ensure that IEO is able to conduct its affairs without any unwarranted interference, the Government has given it considerable financial, administrative and functional autonomy. IEO is to work on network model by collaborating with the leading social science research organizations and concurrently evaluate the impact of the major programmes. The evaluation reports would carry the achievements as well as the failures of the programmes in achieving the desired outcomes. Copies of the reports would be sent to the Parliamentary Standing Committee on Finance, Planning Commission and the concerned Ministries for taking necessary remedial measures wherever needed.

IEO wants to develop a suitable office LOGO which conveys clearly about its mandate. Individuals with creative mind are encouraged to design a suitable LOGO for IEO and send it by post or email. A certificate and a token prize would be given to the person who has designed the selected logo. Designs must reach IEO by April 15, 2014 (17.50 hrs.). Designs can be sent to:
