

NATIONAL INSTITUTE OF TECHNOLOGY JAMSHEDPUR
National Institutional Ranking Framework (NIRF) - 2020

Dear Faculty/Staff/Students/Alumni/Parents

This year NIT Jamshedpur is participating in NIRF- 2020 in **engineering** discipline. In order to improve our NIRF rank, NIT Jamshedpur has initiated remarkable changes in the areas such as: quality assurance initiative & impact, accreditation of UG/PG programs, procurement of new equipment in the laboratories, improvement of library facilities (book volumes & e-lib), student centric policies & utilization, faculty centric policies & utilization, research and development facilities, sponsored research, consultancy services, placement & training activities, employability test, financial assistance for GATE, financial assistance for attending workshops and conferences to faculty and students, internship in industries, industry readiness programs, product development and employability generation, revised course curriculum implementation at UG and PG level, best practices for academic excellence and good governance, and social outreach activities.

Much emphasis was given by us to fulfil all the requirements of NIRF - 2020 with a view to be in top 100 best institutes in the country. As you have witnessed the growth and advancement of the NIT Jamshedpur, we would like you to share your **Feedback** about National Institute of Technology Jamshedpur to NIRF 2020, during the ranking survey. Your valuable participation in ranking exercise would help us to create a strong brand image of our institute and improve its quality in future.

As "[Public feedback is now open](https://www.nirfindia.org/Home)", you can provide your feedback about our Institution through the links: <https://www.nirfindia.org/Home> & <https://login.nirfindia.org/Grievance>
We kindly request you to spare some time out of your busy schedule to participate in the survey and share your positive perception about NIT Jamshedpur.

Procedure to give your feedback

Step 1: Open the home page of NIRF portal using the Link: <https://www.nirfindia.org/Home>

Step 2: Click on the feedback link: [Public feedback is now open.](https://login.nirfindia.org/grievance) (<https://login.nirfindia.org/grievance>)
