All pass out students (2020) are informed to vacate their respective hostels preferably by October, 15 2020. Students are advised to reach institute preferably during working days i.e. Monday to Friday in the morning hours. Some students have informed about non availability of trains from their district/native place. Thus, students unable to vacate hostels due to any reasons should not worry about this. Their luggage will be kept in common room of the respective hostels. While coming by road using own vehicle/public transport students should take all the precautions and permission from their parents, to avoid any untoward incidents. As directed, no student will be allowed to stay in the hostel, so students should plan accordingly.

Boarders of other states must come to institute following the guidelines related to COVID 19, of their state as well as of Government Of Jharkhand and local district administration.
