

CONFERENCE COMMITTEE:

Patron: Prof. K. K. Shukla

General Chair(s): Dr. S. B. Prasad

Conference Organizing Secretary (s) / Chair (s):
Dr. Dinesh Kumar, Dr. Subhash Singh, Dr. S. B. Prasad

Organizing Committee:

Prof. A.M. Tigga

Dr. A. K. Jha

Dr. T. Bannerjee

Dr. Mayuri Barua

Dr. Kanika Prasad

Prof. A. Kumar

Dr. R. Ballav

Dr. Ashish Kumar

Dr. D. Patel

IMPORTANT DATES:

Camera Ready Paper Submission	20 th , Aug, 2020
Paper Acceptance Notification	30 th Aug, 2020
Registration Open	1 st Sep, 2020
Registration deadline	8 th Sep, 2020
Conference Date	12 th -13 th Sep, 2020

Technical Advisory Committee:

Prof. Pradeep Kumar IIT Roorkee

Prof. A.M. Tigga NIT

Jamshedpur

Dr. Kaushik Pal IIT Roorkee

Prof. A. Kumar NIT

Jamshedpur

Dr. I. Chattoraj CSIR-NML JSR

Prof. I. D. Singh IIT Roorkee

Dr. V. Kumar NIT Srinagar

Dr. S. K. Paul IIT Kharagpur

Dr. J. Verma NIFFT Ranchi

REGISTRATION FEE: Rs. 500/-

(Through e-banking/DD)

A/C NO.: 33117999641

BANK: SBI

BRANCH: NIT JAMSHEDPUR

IFSC: SBIN0001882

Keynote Speakers

To be updated on conference website soon

PLEASE NOTE:

- The conference will have oral sessions only.
- Details about paper submission and author instructions will be posted at appropriate time on the conference website. Please keep visiting

National Conference on RECENT TRENDS IN PRODUCTION AND INDUSTRIAL MANAGEMENT (PIM-2020) 12th-13th Sep, 2020

Sponsored by

Publication

- All accepted papers will be published in conference proceedings with ISBN.
- Selected papers, will be considered for publication in reputed International Journal/Book series.

Organized by

DEPARTMENT OF PRODUCTION AND
INDUSTRIAL ENGINEERING
NATIONAL INSTITUTE OF
TECHNOLOGY, JAMSHEDPUR

CALL FOR PAPERS

The conference provides a platform for the authors to get recognition for their research findings and, innovations. Product is the starting point of a business and the final outcome of a company's efforts. In the current scenario the competitive success of a product is inclusive of innovative product design, advanced materials, efficient and innovative manufacturing processes, factory management, responsive and efficient supply chain and a motivated marketing team. The conference is intended to explore the current research and development in the area of production and industrial engineering that enhance the product quality and sustainability. The accepted papers, presented by the duly registered authors in PIM 2020, shall be submitted to reputed International Journal/Book Series.

Theme: Technologies and steps towards sustainability

Welcome to PIM, 2020

Recent Trends in Production and Industrial Management (PIM-2020) is a premier forum for exploring the current research and development in the area of production and industrial engineering. The "Recent Trends in Production and Industrial Management (PIM-2020)" is being organized by Department of Production and Industrial Engineering, National Institute of Technology Jamshedpur, India during August 13-14, 2020.

The conference will feature various keynotes and paper presentations on state of art technologies.

Prospective authors are invited to submit original and unpublished papers (more than or equal to 4 pages) in the following areas (*but not limited to*):

Theme/Field of Proposal:

Additive Manufacturing
Agile Manufacturing
Casting and Forming
Materials and Processing
Micro/Nano Processing
Non-Conventional Machining
Optimization Methods
Tooling Rheology
Surface Engineering/Coatings
Welding Processes
Ceramics and Alloys
Smart Biomaterials
Hybrid Manufacturing
Green Composites
Material Fabrication
Precision Manufacturing
High Speed Machining
Micro Structure Analysis
Supply Chain Management
Modeling and Simulation
Operations Management
Product Design and Development
Reliability and Maintenance
Sustainable Manufacturing
Technology Management
Decision Science
TQM and Six Sigma
Waste Management

Optimization Algorithms
Business Analytics
Data Mining and Machine Learning
Sales & Operation Planning
Product Life cycle
Mass Customization
Industry 4.0
Industrial Automation
Fuzzy Expert System
Soft Computing Work System Design and Ergonomics
CAD/CAM/CIM/CAPP/Robotics
Renewable Energy

Presentations must be made online by one of the co-authors of the paper, to ensure that questions can be appropriately handled at the end of the presentation.
