

Unnat Bharat Abhiyan Invites Technology Developed by NIT Jamshedpur for Villages & Rural Areas

With the first instalment of funds released by MHRD in July 2016, **Unnat Bharat Abhiyan (UBA)** has now gained momentum and is expected to become a flagship initiative in the country. IIT Delhi has been entrusted with the responsibility of spearheading this initiative. One of the major focus areas of UBA is technological interventions in rural areas. **NIT Jamshedpur** being a premier institute in the field of science and technology has been invited to participate in this initiative.

NIT Jamshedpur has been requested to nominate a few innovative technologies developed in our institution that have **applications in rural areas**. UBA would support and promote them as deemed fit by our institute in the villages in the country.

The 2nd India International Science Festival (IISF) is being organized by the Ministry of Science and Technology from **7-11 Dec. 2016 at NPL-CSIR Delhi**. UBA has decided to participate in an effective way in the 2nd IISF. UBA would like to showcase the various innovative technologies developed by different participating institutions in the country which can be propagated under **UBA activities in rural clusters**. All the participating institutions under UBA have been requested to identify such technologies available with them and prepare for a demonstration of these technologies at the 2nd IISF. They would like to have **working models or otherwise a smaller size model for demonstration**. UBA will be able to bear the cost of transportation and any other expenses involved in showcasing the technology during 2nd IISF at New Delhi in the name of the Institution which has developed it.

All Students, Staff & Faculty members are Invited to apply for relevant projects in the attached format as per the below timelines.

Important Dates:

Last Date of Applications: 31st Augustq2016

Shortlisted candidates will be informed though mail by 2nd Septemberq2016

Presentations of Shortlisted Project: 6th Septemberq2016 (In Room no 625, DMM)

Last Date for sending nominations to UBA: 15th Septemberq2016

Final Exhibition: 7th . 11th Decemberq2016 at New Delhi

All Applications have to be submitted through mail to:

Dr. Ranjit Prasad

Coordinator, Unnat Bharat Abhiyan Cell

NIT Jamshedpur

Mail Id: hod.met@nitjsr.ac.in

Format for Submission of High Technology for Implementation under UBA:

(Mail completed form to hod.met@nitjsr.ac.in by 31st August, 2016)

1. Name of the Institute: National Institute of Technology Jamshedpur

2. Name of the Technology:

3. Name & Contact detail of the Developer:

4. Technical Information:

5. Key features and benefits it can deliver:

6. Contact:

7. Cost:

A) For Demonstration at IIT, D:

b) For Implementation in the Field:

8. List of probable suppliers:

9. Time line when it could be available:

a) For Demonstration at IIT, D:

b) For Implementation in the Field:
