NATIONAL INSTITUTE OF TECHNOLOGY JAMSHEDPUR

Jamshedpur – 831014, Jharkhand (State), India

(An Institution of National Importance under MHRD, Government of India)

Dated: 11.08.2020

NOTICE FOR ALL STUDENTS REGARDING FEES

In the light of the notice of the Dean (Acad) dated 10-08-2020 regarding Registration and Fee payment of Autumn Semester, We have received several mails of the students of similar types with the similar language and content appearing the same mail is being circulated.

The Institute has already reduced the user fee by Rs 6925/- related to Bus, Sports, Room Rent and Electricity Charges. Some charges has been kept for the maintenance of the establishment of the Hostels, Bus, and staff members related to this. The institute shall not be charging Tuition Fees from the economically weaker section students as per the income criteria, previously they were charged and then reimbursed. Many of the students shall not be paying tuition fees this semester as compare to last semester.

M.Tech. students are getting stipend from their home without coming to the Institute; hence their grievance related to fees is not genuine.

The Institute is running successfully, all the academic and other activities during this period.

Regarding date of registration of fees payment, as per last academic calendar the actual date was 01-08-2020 and it has already been delayed to 17-08-2020. The institute has done the best in light of the present situation, which is best for the students and the Institute. The Institute shall review all the situations in near future as per the requirement.
