Dear Sir / Madam,

Season's greetings!

The Department of Civil Engineering, NIT Jamshedpur is organizing a Five Day national workshop on "**Recent Advances in Civil Engineering Research (RACER-2019)**" during January 21-25, 2019 for:

- Faculty members of State / Central Govt. / Private engineering colleges affiliated with TEQIP-III (or) approved by AICTE
- Engineers from Departments, scientists and officers working in State / Central Govt. Departments / Industries dealing with consultancy/construction/irrigation and water resources
- Undergraduate, Postgraduate students and Research Scholars from TEQIP-III affiliated Institutions

The faculty/experts delivering the lectures will be from IITs/NITs and Reputed Consultancy/Research Organizations.

The workshop has been segmented into three sections: 1. "Basics", "Tutorials", and "Hands on exercise with computer simulation models". The course material will be very much useful for the Civil Engineering professionals to deal with projects, field problems and as an aid for teaching material.

This national workshop is funded by the Technical Education Quality Improvement Programme (TEQIP-III), MHRD, GoI & World Bank assistance.

Last date for receipt of Registration Form: 15<sup>th</sup> Jan 2019.

Intimation to selected participants: 16<sup>th</sup> Jan 2019.

Please widely circulate the attached Information Brochure and encourage the faculty members / students /Engineers from Departments/Consultants to join this five day workshop.
