NOTICE

Date:06/07/2020

This is to inform you all that due to the current COVID-19 scenario, the placement session for 2020-21 will not be conventional like previous years. The physical placement procedure will be replaced by virtual/online placement mode. The online placement process will mainly consist of the following five rounds (subject to change): -

- 1) Pre-Placement Talks (PPT)
- 2) Online Test
- 3) Coding/Technical Round 4) Technical & HR Interview Round
- 5) Management Round.

All the above-mentioned rounds require good internet connectivity, audio & visual accessories, Desktop/Laptop. You are all advised to make sure that you have all the mentioned systems ready and in good working conditions. Those who think that they do not possess systems/ good internet connectivity should take immediate steps to set things right at their respective ends as the placement session will begin shortly.

Note:

- Students must be formally dressed whenever they participate in the various rounds mentioned above (including PPT).
- **Students found cheating; indulging in unfair means or misbehaving in the selection will be banned from the placement session for the rest of the academic year.**
- Students are requested to attend any of the rounds on time. Late comers may be debarred from the selection process.
- Students should maintain discipline and show ethical behaviour in their actions during the placement process even at home. Any student found violating the disciplinary rules or defaming the institute will be banned from the placement session for the rest of the academic year.
- Placement process may be shifted to offline mode as per conditions prevail.
