Date – 15/07/2015

“Electrical Works Committee”

Electricity has become the lifeline of modern society and inevitable part of every body's life. It is also necessary to remember that electricity becomes destructive and dangerous, if not handled with care, safety conforming to laid down safety standards and norms. In supersession of previous order in this regard i.e. Ref. No. NITJSR/Estt/1252/2013 dated 26/09/2013, the Electrical Works Committee is reconstituted with immediate effect as given below till further order. The functions the Committee are:

- To ensure the general specifications and general guidelines to ensure safe, efficient, reliable and economical use of electricity.
- To ensure the general requirements of the electrical works: quality of materials, inspection of materials and equipments, ratings of the components, conformity to standards, interchangeability, workmanship, testing, commissioning on completion, completion plan and completion certificate and guarantee.
- To ensure the general, commercial and technical requirements applicable to works contract for execution of electrical works.
- To assist the Dean (P&D) / Associate Dean (P&D: Electrical Works & Engineering Services) for the activities of the electrical works (repair and maintenance of existing facilities and design, planning and execution of new projects).
- To ensure the power supply of the campus.
- To serve as Purchase Committee for procurement of materials and services.

The Committee consists of:

1. Dean (P&D)	...	Chairman
2. Dean (Admin & FW)	...	Member
3. Head (EEE)	...	Member
4. Associate Deans (P&D)	...	Member
