ABOUT THE INSTITUTE

National Institute of Technology Jamshedpur earlier known as Regional Institute of Technology (RIT) was established in 1960. On 27th December 2002, RIT was transformed to National Institute of Technology, Jamshedpur with the status of a Deemed University. The Institute has 12 departments including Engineering, Science and Humanities. It has more than 200 faculty, 4000 students and 150 administrative and supporting staff. The Institute is ranked 79 in the NIRF rankings and is ranked in top 50 in the ATAL rankings of Institutions on innovation achievements.

ABOUT THE WORKSHOP

We have put together an all-alumnus star panel of power house achievers who have been there, done that, and are willing to share their secrets with you and lead you to the path of successful leadership. This is an era where it is good to rub and polish our brain against that of others in order to convert challenges to stellar opportunities. So, we bring out this workshop to-

- i) Uncover many necessary traits, thoughts and strategies that students can use to become successful managers and leaders and thus inspire greatness in their organization.
- ii) Share secrets which will enable students to crack their dream jobs and internships.
- iii) Enable students to develop technological expertise and build leadership skills.
